Website Delivery and Appearance – We may use third-party providers to enable certain customer interaction opportunities, content delivery (like audio or video), or other service capabilities. Examples include, but are not limited to, the following functionality:

- **Content Delivery:** We partner with service providers to host our Site and deliver specific content in support of our Services. For example, we use Adobe Typekit to serve fonts on our Site, which is governed by [Adobe Typekit's Privacy Policy](#). We also partner with companies like YouTube, Vimeo, and Spotify to deliver specific content delivery like audio and video. For more information about how YouTube collects and uses your data, visit [Google's Privacy Policy](#).
- **Customer Interaction:** We enhance our customer interactions by offering features like Google Maps to locate our Service locations or enable navigation-based product features, Survey Monkey to collect information like feedback on your experience, and payment processors to facilitate online payments. Each of these offerings are governed by the terms, conditions, and policies of the underlying service provider. For example, please see [Survey Monkey's Privacy Notice](#) and [Google Maps/Google Earth Terms of Service](#) and [Google's Privacy Policy](#) for more information on how those features operate.

- **Chat-based Customer Support:** We use an interactive chat feature powered by a third-party (like Zendesk, PolyAI, LiveChat, or a similar service provider), and which may utilize artificial intelligence, to enable customer service and technical support via our Site. Website Analytics and Session Replay – We use analytics and session replay services, that use cookies and other technologies that collect your Personal Information, to assist us with analyzing our Site traffic and site usage to optimize, maintain, and secure our Site and inform subsequent business decisions (including, e.g., advertising). These include, but are not limited to, the following third-party services:

- **Microsoft Clarity:** We partner with Microsoft Clarity and Microsoft Advertising to capture how you use and interact with our Site through behavioral metrics, heatmaps, and session replay to improve and market our products/services. Site usage data is captured using first and third-party cookies and other tracking technologies to determine the popularity of products/services and online activity. Additionally, we use this information for site optimization, fraud/security purposes, and advertising. For more information about how Microsoft collects and uses your data, visit the [Microsoft Privacy Statement](#).
- **Google Analytics:** To learn more about how Google uses data, visit [Google’s Privacy Policy](#) and Google’s page on “[How Google uses data from sites or apps that use our services.](#)” You may download the [Google Analytics Opt-out Browser Add-on](#) for each web browser you use, but this does not prevent the use of other analytics tools. To learn more about Google Analytics cookies, visit [Google Analytics Cookie Usage on Websites](#).
- **Meta and TikTok Pixels:** We use Meta and TikTok pixels and analytics to track user activity on our Site and improve downstream offerings, including interest-based advertising for our services and those of our partners and service providers.

Interest-Based Advertising – We may also allow or enable third parties to collect Personal Information to provide their interest-based advertising on behalf of our products and services, or their own. Interest-based advertising occurs when advertisements are shown to you based on information collected from your online interactions over time and across multiple websites, devices, or online services that you visit or use. Some companies may engage in cross-context behavioral advertising to predict your preferences and show you advertisements that are most likely to be of interest or relevant to you. We do not control these third parties’ collection or use of your information for these purposes, or the opt-out options they may individually offer you via their terms, conditions, and privacy policies. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly. Examples of the third-party service providers we engage to serve interest-based advertisements include Google Ads (including Google Dynamic Remarketing, Google AdSense, Google Adwords Conversion, Google Signals, DoubleClick and DoubleClick Floodlight), Meta Ads (including Meta Pixels and Facebook advertising services), TikTok (including the TikTok Pixel), Microsoft advertising, and Adobe Audience Manager.

Selling or Sharing Personal Information – While we do not sell Personal Information in exchange for monetary consideration, we do share Personal Information for other benefits that could be deemed a “sale” or “sharing” under various data protection laws, because they are sometimes broadly defined to include

activities such as the delivery of interest-based advertising on websites or allowing third parties to receive certain information, such as cookies, IP address, and/or browsing behavior. We similarly engage in interest-based advertising when we use data about your activities on our Site to serve you ads on websites owned or controlled by third parties. It is in this context that we have provided advertising networks, data analytics providers, social networks, and video sharing platforms with Personal Information such as your IP address, device information, Internet and other electronic network activity information, and geolocation information in the last twelve months.

Cookie Choices – To manage your preferences with respect to these technologies, you can:

- Visit our preferences page, or customize your browser settings to refuse all or some browser cookies, or to alert you when websites set or access cookies. If you disable certain cookies, please note that some parts of our Site may not function properly. These settings may be lost and require reconfiguration if you delete your cookies.
- Block the collection and use of your information by online platforms and ad tech companies for the purpose of serving interest-based advertising by visiting the opt out pages of the self-regulatory programs of which those companies are members: [National Advertising Initiative](#) and [Digital Advertising Alliance](#) (or the [European Interactive Digital Advertising Alliance](#), if you are located in the European Economic Area). Please note that even if you opt out of interest-based advertising, you may still see “contextual” ads which are based on the context of what you are looking at on the websites and pages you visit.
- Review and execute any provider-specific instructions to customize your preferences or opt-out of certain processing, including interest-based advertising, by third-party service providers. For example, to opt-out of this type of advertising by Google, customize your ad preferences, or limit Google’s collection or use of your data, visit [Google’s Safety Center](#) and [Google’s Ad Settings](#) and follow [Google’s personalized ad opt-out instructions](#). To opt out of advertising under Adobe Audience Manager, please follow [Adobe’s Experience Cloud opt-out instructions](#). Meta also offers an [Ad Preferences center](#) to customize your settings, as well as a [Privacy Policy](#) with additional information on how you can exercise your rights.

Only you, or an authorized agent that you authorize to act on your behalf, may make a request related to your Personal Information. We must verify your identity before fulfilling your requests, and if we cannot verify your identity, we may request additional information from you. If you are an authorized agent making a request on behalf of another person, we will also need to verify your identity, which may require proof of your written authorization or evidence of a power of attorney. We do not charge a fee to process or respond to your requests unless they are excessive or repetitive. We may deny certain requests, or only fulfill some in part, as permitted or required by law. If you are not satisfied with the resolution of your request and you are afforded a right to appeal such decision, you will be notified of our appeal process in our response to your request.

Children's Privacy

We do not knowingly collect or solicit any Personal Information from children, as defined under applicable law, without verified written parental consent, and we have no actual knowledge of selling such Personal Information of minors under 16 years of age. Our good-faith estimate of the value of your Personal Information is the value of the benefit we offer to you. We have calculated such value by using the expense related to the benefit.
- **Beta Testing and Other Feedback Programs:** We may also offer you the opportunity to participate in customer satisfaction or market research surveys or test new or upgraded goods, services, features (including our mobile app) and provide feedback regarding your experience. You can also contact us at privacy@ebSCO.com to cancel your participation in any program. Please note that if you withdraw from a program (or you submit a CCPA request to delete your program data), your participation in that program will be terminated, which means, generally, that you will no longer be eligible to use or access any program features or offers, or associated compensation or benefits, subject to the applicable program terms.
